Welcome Back OLGC Families!

We are looking forward to kicking off our new school year together with all our returning families and welcome our new families to our little community. Our students and staff continue to be blessed with the support and spiritual guidance of our Salesian priests and sisters. All of us on the PEC recognize that this hasn't been a normal summer and that the school year ahead will be different and sometimes challenging, however we ask for your patience as we navigate this together while always keeping the best interest of our community at heart.

As Mr. Wright has shared through the summer and will continue to share as the school year progresses, all the health and safety protocols put in place are in line with the guidance received from the Ministry of Education, CISVA and Public Health authorities. We ask that you follow these diligently and do not send your child to school if they are sick.

Our first of two annual meetings will take place on **Wednesday, September 16th**; **this year this meeting will take place virtually – please ensure you are able to attend.** More details are available in the school newsletter.

We also encourage you to send in your pledges for our upcoming Lap-A-Thon. Cheques may be post-dated up until October 1st, 2020. Any donation of \$20.00 or above will receive a TAX RECEIPT. **Families submitting completed pledge sheets with their \$200 or more pledges by September 30th, will be entered into a draw to have their 30 parent participation hours WAIVED for the current school year. Also, for every \$50 raised over the minimum \$200, families will be eligible for an additional ballot for our grand prizes to be drawn in October.**

We look forward to journeying together with you this year!

On behalf of the OLGC PEC,

Elaine Rosario

Chairperson

OLGC Parish Education Committee
